LOCATION OF THE OLD AND NEW BARRACKS AT DOMAZLICE  
AND AMMO DUMPS NORTHEAST OF CHRSTAVICE  
A/T GUN POSITIONS NORTHWEST OF PETROVICE

LEGEND

- X - Old barracks at Domazlice. Mortar units, submachine gun company, and regimental horses are quartered here.
- II - New barracks at Domazlice. Regimental Headquarters, Battalion Headquarters, and Technical Companies (Signal and Engineer Platoons) are quartered here.
- III - Ammunition dumps northeast of Chrstavice, near the woods and in the area of 419. Building #1 is the guardroom. Building #2 is the storeroom for ammunition for the infantry. Building #3 is the storeroom for ammunition for the artillery units from Moravsky Tyn. Dimensions of the ammo dumps are 35 by 15 meters. The ammo dumps are guarded by the Domazlice garrison.
- IV - A/T gun positions are placed in the area of 452, northwest of Petrovice. These positions were erected during the spring of 1948 and re-erected in the spring of 1949. Their purpose is to cover tank approaches from the area of Ujezd-Drazenov-Havlovice.
